TPM Academy Texas

TPM Academy
Statement of Support

Please include with your application a signed statement from the CEO of your organization which supports your involvement with the TPM Academy. If you are the CEO of your organization, please have your board chair sign this document.

A statement of support with the required elements is below. You may do one of the following to meet this requirement:

1. Have your CEO sign below, and include this page with your application.
2. Attach a letter signed by your CEO that includes a statement of support and the required elements from below.
3. Include with your application an email from your CEO with the requirements and their commitment to support your participation.

CEO Statement of Support

As the CEO/President, I support the attached application from our organization to participate in the TPM Academy of Texas. I understand and commit to supporting our TPM Academy of Texas candidate in meeting the following participation requirements:

a. Making attendance at the six days of in-person training a priority;

b. Allocating appropriate support and time for their TPM project; and

c. Providing necessary progress reports/data for their project within understood and agreed upon privacy and proprietary guidelines.
