Hurricane Dorian Coordination Webinar

• Thanks for joining, the webinar is about to begin.
Hurricane Dorian Coordination Webinar

- This webinar will discuss the type of needs and the coordination of efforts in the aftermath of Hurricane Dorian.
- The Chamber Foundation is tracking corporate support towards relief and recovery efforts. If you have already made a commitment, please let us know. The tracker is available on the Foundation’s website and is regularly updated.
- Please send updates to Will Powell at wpowell@uschamber.com, or submit through the online form available at https://www.uschamberfoundation.org/corporate-citizenship-center/corporate-aid-trackers
Hurricane Dorian Coordination Webinar

- Phone lines are muted for the duration of the call. At any time, ask questions by using the question/chat feature and they will be addressed during Q+A.

- The webinar is being recorded and will be made available shortly after its conclusion. All registrants will receive a link to listen or download.
